Did you know?

You can change your background on your Zoom calls with your staff and students?

You can be at the beach, in front of the Golden Gate Bridge, or in Outer Space!

Pixar and Disney have free images on their Facebook pages. You can also Google search free Zoom backgrounds.

It is an easy way to make your Zoom calls a little more fun for your class! I did it with my class this week and they got a kick out of the fact that I was "at the beach."

Pediatric Dentistry of Pleasant Hill has all of the latest pain-free technology, 24 hour services for emergencies, and an office specifically designed to be "kid friendly." All staff are experienced in working with children and work to build trusting relationships with their clients!

P.S. They also do school visits/talks/"presentations" for kids!!

Amybeth Harmon, D.D.S.

You will find our office to be a pleasant and caring environment. We know a positive experience can set the tone for your child's future dental health. That is why our office has been designed to be "kid friendly". Even more importantly, our pediatric dentists and professional staff have dedicated their careers to helping children. We establish trust with your child by creating a safe and happy place for them to be. The latest in dental technology is combined with genuine compassion and concern.

We are open Monday through Saturday and offer appointments as early as 7:30am.

Are we accepting new patients? Yes, absolutely! We are happy to welcome new patients to our practice and we appreciate you referring your friends and family to us.
