

WHAT PARENTS ARE SAYING:

"I have sent both of my boys through NCP, and I could not have asked for a better place for them to be. The teachers are amazing! They truly love children and greet them each day with a smile. The program is developmentally appropriate for young children, and they learn so much. I feel blessed to have them receive such a great beginning of their little school careers."

-Becki, NCP Parent

"We have been so very pleased with everything about NorthCreek Preschool. The teachers are so kind and genuinely have an interest in the well-being of our children. The administrative staff excel in communication; we are always kept in the loop. We're very happy to be a part of such a loving preschool community."
