Did you know?

Not all toys are created equal, especially during the era of COVID-19.

With the increased sanitation practices and requirements, it is important to think about which toys are available to the children (and which toys are easy to clean!), while still being able to maintain the hands-on play that is so important in early childhood.

Pediatric Dentistry of Pleasant Hill has all of the latest pain-free technology, 24 hour services for emergencies, and an office specifically designed to be "kid friendly." All staff are experienced in working with children and work to build trusting relationships with their clients!

Amybeth Harmon, D.D.S.

You will find our office to be a pleasant and caring environment. We know a positive experience can set the tone for your child's future dental health. That is why our office has been designed to be "kid friendly". Even more importantly, our pediatric dentists and professional staff have dedicated their careers to helping children. We establish trust with your child by creating a safe and happy place for them to be. The latest in dental technology is combined with genuine compassion and concern.

We are open Monday through Saturday and offer appointments as early as 7:30am.

Are we accepting new patients? Yes, absolutely! We are happy to welcome new patients to our practice and we appreciate you referring your friends and family to us.
