

Welcome to NorthCreek Preschool! Since 1971 we have been privileged to partner with parents to help children thrive! Known for a strong sense of community, we invest in the lives of families and value parental involvement.

NorthCreek preschoolers learn to love school and love learning! Our rich and engaging curriculum emphasizes hands-on learning activities that promote strong kindergarten readiness skills and the development of the whole child. Our warm, seasoned teachers are passionate about early education and are committed to nurturing each child's growth.

We share a beautiful campus with NorthCreek Academy, a dually accredited classical Christian school. As a ministry of NorthCreek Church, NorthCreek Academy and Preschool is committed to cultivating academically-strong, spiritually-firm leaders.
